To whom it may concern,

We were contacted by Goodman Nash offering their services in obtaining a refund on our business rates. We were very cautious at first in pursuing this route as we had received several calls by different companies offering their services beforehand, but after meeting with two colleagues from the company, we felt at ease to proceed.

From start to finish the service has been 100% prompt, efficient and worth doing. The whole process took 7 weeks and we would highly recommend them to others.

Kind regards

To whom it may concern,

We have had the privilege of the services from Goodman Nash in helping us recover over £9000 in business rates. We would just like to say a massive thank you to everyone that helped us.

The staff were always very friendly and helpful when we had any questions or queries and they kept us informed the whole way through the process of recovering what we had lost.

We would highly recommend anyone to using their services and we will not hesitate in requesting their assistance should we need ever arise again.

Thanks again.

Subject: A4 Apparel Payment & Testimonial (ref 120537)

Hi  
Great job! When David (from Goodman Nash) turned up at my factory approx 18 months ago saying we were paying too much in business rates & he could get the overpayment back I immediately dismissed him as all I could hear was PPI claim which we all have been bombarded with for a few years now.

Approximately 5-6 weeks ago I received a call from Sam at Goodman Nash claiming exactly the same thing but this time I had a bit more time on my hands so thought I would entertain him by asking some searching questions trying to catch him out. My questions were answered & I figured I had nothing to lose so I supplied my council business rates details (took approx 30mins) & 3 weeks later I received a letter from the council letting me know I had been overpaying by over £3500 per / year & I was being reimbursed approx £6000 which appeared in my bank account yesterday.

From being a total sceptic Goodman Nash have delivered, great job.

Kind Regards

Overleaf you thank us for the opportunity for allowing you to recover a sum on behalf of our business. In reality it is we who should thank you.

As soon as we received payment from the council, we recommended other businesses in close proximity to ours.
